

CERTIFICATE OF COMPLIANCE

Certificate Number 20131011-MH46945
Report Reference MH46945-20131010
Issue Date 2013-OCTOBER-11

Issued to: TECHNOLOGY CO LTD
XINQIAO TOWN

ZHEJIANG CHINA

This is to certify that representative samples of OCCUPATIONAL HEAD PROTECTION
Model :-NTA

Have been investigated by UL in accordance with the Standard(s) indicated on this Certificate.

Standard(s) for Safety: ANSI Z89.1-2009 -American National Standard for Industrial Head Protection

Additional Information: See the UL Online Certifications Directory at www.ul.com/database for additional information

Only those products bearing the UL Classification Mark should be considered as being covered by UL's Classification and Follow-Up Service.

The UL Classification Mark includes: UL in a circle with the word "CLASSIFIED" (as shown); a control number (may be alphanumeric) assigned by UL; a statement to indicate the extent of UL's evaluation of the product; and the product category name (product identity) as indicated in the appropriate UL Directory.

Look for the UL Classification Mark on the product.

BEFORE USE READ ALL WARNINGS AND INSTRUCTIONS

This hard hat is designed to provide limited head protection by reducing the force of small falling objects striking or penetrating the top of the hard hat shell. It was not designed to provide front, side, or rear impact or penetration protection, while it may protect against light bumps to these areas. Avoid contact of this hat with electrical wires. Never alter or modify the shell or suspension system. Inspect all parts of your hard hat regularly. Immediately replace shell or suspension at the first sign of cracks, frayed straps and any wear, damage, abuse, impact, or plastic degradation because protection may be reduced. If the hard hat has sustained a forcible blow (impact) . Dispose of it immediately, even if damage is not visible. Do not apply adhesives or other chemicals unless approved by manufacturer. Clean with mild detergent and water. Use only the proper approved suspension. Failure to observe this warning could result in death or serious injury.

THIS IS IN STRICT CONFORMITY WITH
ANSI/ISEA Z89.1-2009, TYPE 1, CLASS E, LT, Adjustable sizing 52-63cm
CE EN397:1995 -30°C LD DO NOT REMOVE THIS LABEL
